Harewood Junior School

Every moment is a learning opportunity

Expansive school grounds

Our School Rules:

We choose to be Responsible, Kind and Safe.

A garden area and pond, where we hope to create a Forest School provision.

Our Core Values

Curiosity · Courage · Resilience · Integrity · Pride

A Pastoral Team

who offer support above the expected standard.

Equity for All

We believe that we are all unique, therefore we strive to reduce barriers and offer individualised support.

A Talented Team

who love singing, drama and sports!

A Growing Community

We aim to expand our community network – opening our doors and facilitating our children to explore their local area and beyond.

Curiosity drives learning and growth, courage lets us take risks and equity makes sure everyone can take part, integrity builds trust and helps us make difficult decisions, pride builds a sense of community and belonging.
