The right to withdraw from religious education and/or collective worship

Parents have the right to withdraw their children from religious education and/or collective worship. DfE LINK

As a school that is not charactered with a designated religious character, we have assemblies where we meet together as a school community. On occasions, these are facilitated by faith leaders. **Please let your child's class teacher know if you wish for them to be withdrawn from Religious Education and/or collective worship.**

We will continue to keep your child safe and supervised but an alternative curriculum will not be provided.
